*Aamirzan Bewa died just before we started our project. Eventually we disbursed the amount between her sister in law Saharjan Bewa (wife of Aamirzan's husbands brother) & Samshul Huq Chan Miah, who was found to be the most destitute of deceased Aamirzan's remaining sons. It may be mentioned here that Saharjan Bewa departed soon after the receipt of the said donation. It should also be noted that Sharjan Bewa and Samshul Huq were recommended as the potential recipients by the community people and the idea was appreciated by Mafidul Huq, Sultana Kamal, Shaheen Akhter & others concerned.
